

ARIANA MAE HATAMI FOUNDATION QUARTERLY NEWSLETTER

Fall 2019

We are striving in our mission to change lives...

The educational outreach video/documentary that was described in our Summer 2019 newsletter is now in pre-production! During our search and interviews with distinguished videographers/producers in the bay area, we are pleased to have retained the services of Bryan Kingston of Kingston Media. We all gathered on Oct. 22 and shared among us the unique talents, ideas and goals to make this video/documentary come to fruition. Our sincere thanks goes to those who participated: Bryan Kingston, Mary McGrath from the San Mateo county of office of education; April Torres, LMFT from mental health services of the San Mateo Union High School District; Rick and DiAnn Beatty, founders of the Alessandra Foundation, Yasi Hatami, sister to Ariana Hatami, and Denmark Diaz, Men's Health Educator for health promotion & wellness at San Francisco State University.

The giving season is upon us everyone. Please give us your big heart to Ariana's big heart through Giving Tuesday on December 3rd. Or give to our GoFundMe campaign and be a contributing member to this very crucial film/documentary. In the coming days you will receive more information. When you support this initiative, you save lives. Your tax deductible donation would be a gift that will truly impact and serve our next generation.

Our budget is \$85,000 to cover the cost of production. We have received approval for 50K from District 5 Supervisor David Canepa of San Mateo County. We are grateful to Supervisor Canepa for his commitment to Ariana's cause. AMHF would also like to recognize First Republic Bank, Ariana's employer at the time of her death as they have pledged \$10,000 towards our initiative. These extraordinary gifts of support keeps us moving forward to accomplish our mission at AMHF.

We send our heartfelt thanks in advance for your serious consideration to contribute to our stand against domestic violence. We believe that it is driven by Ariana's spirit who died at a very tender age but at a time when she was ready to make a big, beautiful difference in her world and those she touched. Your financial support will mean so much to Ariana's family and the board members of AMHF. The ultimate benefit will spread throughout society, not only to the victims and survivors but all lives impacted by domestic and relationship abuse.

#GIVINGTUESDAY

The Ariana Mae Hatami Foundation is Joining the Global GivingTuesday Movement to bring awareness and action to wipe out domestic violence in our communities. This GivingTuesday, AMHF will celebrate giving by asking for donations to support the critical programs we are directly involved with that confronts the very real societal problem known as domestic violence.

GivingTuesday harnesses the collective power of a unique blend of partners to transform how people think about, talk about, and participate in the giving season. It inspires people to take collective action to improve their communities, give back in better, smarter ways to the charities and causes they believe in, and help create a better world.

The Radiant Youth Program has a new name - **Fatherless No More**. They direct and manage the **Signs of Hope Camp** which is an overnight summer camp for foster children 7-11 years of age. It is held at Mission Springs' Frontier Ranch in the Santa Cruz mountains. AMHF was able to support some kids to go to this camp this last August and a scholarship was given for this purpose. For more information about getting involved with our foster youth, contact Holly Stewart at hollys@wearepcc.com

Turning a heart shattering tragedy into
hope for victims of violence

All of these endeavors would not be possible without your generous contributions to AMHF. Thank you!

The enormous pain of losing Ariana has become our inspiration to make this foundation a healing site for survivors. On that note, we would like to update you and report our progress on a quarterly basis. If you choose to opt out, please notify the sender and we'll discontinue your newsletter.
